2. Action Taken Report Based on the Feedback Received from Students 2022-2023

- Library services have been be improved. In particular, the number of text books, reference books, journals, e-resources etc. have increased as compared to the number of students.
- Besides the use of chart model map chalk duster etc. importance is given on teaching aids like ICT tools.
- Improved office services. The entire admission process, collection of admission fee, form filling for scholarship, form filling for examination are all done through online.
- Efforts have been made to improve infrastructural aspects such as provision of adequate drinking water, cleanliness of toilets, arrangement of minimum services in common rooms, generators as an alternative during load shedding etc.
- College authorities are recommended to make all the documentation process.
- Teaching faculties are recommended to use Video Conferencing platforms, Digital classrooms, Digital board and other digital mediums to make online classes user friendly and interesting.
- College authorities are recommended to organize regular webinar in various disciplines to update the knowledge base of both teachers and students.
- College authorities are recommended to organize regular counselling session to check on both physical and mental health of students & teachers.
