GREEN CAMPUS POLICY

Introduction

"Cleanliness is next to the Godliness". The goal of the Green Campus policy is to keep the environment green and clean. The Greenland club is a platform to serve the cause of environment awareness, to undertake the green initiatives and to conduct green literacy programme to save energy and to protect the environment green and clean.

Policy

- To conduct an annual green audit.
- To set for the green campus mission.
- To maintain garden and landscaping.
- To keep the non-renewable plastic free campus.
- To restrict the entry of automobile in the campus.

The policy will be communicated to the students and employees via internal communication channels and will be made available to all stakeholders on basis of notice and website.
