- (i) Dr. Amit Phadikar (Principal)
- (ii) Dr. Koushik Dey (Coordinator, IQAC)
- (iii) Dr. Krushnapada Das Adhikary
- (iv) Dr. Partha Agasti
- (v) Smt. Sona Mondal
- (vi) Dr. Sirin Salma Sultana

3. Objective of the Audit:

Eminence and excellence of an institute can't be achieved over night. For the growth of an institution internally and externally, regular monitoring and evaluation is required for each department and units to assess the strengths and weaknesses of the whole college. To fulfil the wish to create a prosperous environment for the institution a strict and continuous internal Audit of Academic and Administrative process is adopted by the committee members and the assessment of the audit will be placed to Principal of the College and Internal Quality Assurance Cell (IQAC) to take the steps toward the improvement of the college. The main objectives of this audit are:

- To identify the bottlenecks in the existing mechanisms of the system.
- To suggest the methods for improvement and for overcoming the weaknesses.
- To identify the opportunities for academic reforms through the optimum utilization of resources.

 3
 Coordinator, IQAC
 S.B.S.S. Mahavidyalaya, Goaltore
 Paschim Medinipur, Pin - 721128

- To suggest the methods for improvement of quality keeping in mind criteria and reports by NAAC and other bodies.

4. Methodology of the Audit:

Purpose of Audit	<ul style="list-style-type: none"> ▶ To promote self reflection among all Departments/Students' activity of the college. ▶ To promote self improvement measures among all Departments / Students' activity. ▶ To conduct quality checks on different activities undertaken in all Departments/ Students' activity to meet expected outcomes. ▶ To promote adoption of best practices among the Teachers and Students.
Nature of Academic Audit	<ul style="list-style-type: none"> ▶ The Departments of our college are expected to have developed a strong outcome based approach in teaching-learning. ▶ The IQAC team will assess the activities involved in developing learning outcomes, design and development activities in curriculum, teaching-learning process, student learning assessment process and student engagement programs. ▶ The team will also assess the quality and quantity of research outcomes during last three years. The audit team will also assess the quality of resources and general ambience from perspective of meeting the learning outcome. ▶ The team will assess the process of conduct, document archival and promotion of student support activities and services.
Audit Process	<ul style="list-style-type: none"> ▶ Each Department will prepare a Self Appraisal and Academic Reports. The same has to be submitted to IQAC. ▶ The Audit team will visit and conduct onsite evaluation through checking of documents and interaction with students and teachers. ▶ The audit report will be prepared citing commendation, affirmation and recommendation for each Department. ▶ The report will be shared by all and be uploaded in the college website.

1. Audit report and recommendations by the Audit Committee:

6.1 Anthropology

- The department should take initiative to increase student admission.
- Student progress in higher education should improve.
- The assigned project works by the department are good.

6.2 Bengali:

- The student centric teaching methods undertaken by the department is excellent.
- A special lecture has been arranged by the department.
- The department has arranged an educational field trip for students.
- The teachers have been engaged in research activities.
- The department should motivate the student to pursue higher education.
- The assigned project works by the department are good.

6.3 Botany

- The student centric teaching methods undertaken by the department is excellent.
- The department has arranged an educational field trip for students.
- The department should motivate the student to pursue higher education.
- The assigned project works by the department are good.
- Research publication by the faculty members is good.

6.4 Chemistry:

- The department should take initiative to increase student admission.
- The assigned project works by the department are good.
- Student progress in higher education should improve.
- The laboratories facilities of the department are good. The laboratories are well maintained by the teachers.

6.5 Computer Science:

- The department should take initiative to increase student admission.
- Student progress in higher education should improve.
- The assigned project works by the department are good.

6.4 Education:

- Student teacher ratio should be increase.
- The student progression to higher education is good.
- The department should arrange some educational tour/student seminars for students.
- The student centric teaching methods undertaken by the department is good.

6.5 English:

- The student admission per year to the department is excellent.

 Coordinator, IQAC
 S.B.S.S. Mahavidyalaya, Ghatore
 Paschim Medinipur, Pin - 721128

- The department should arrange more student centric programmes like student seminar, wall magazine, quiz etc.
- The department should motivate the student to pursue higher education.
- The assigned project works by the department are good.

6.6 Geography:

- The department should take initiative to increase student admission.
- Student to teacher ratio is good.
- The department has arranged a field survey for students.
- The student progression to the higher education should be increased.

6.7 History:

- The student admission per year to the department is good.
- The student centric teaching methods undertaken by the department is excellent.
- The student progression to higher education should increase.
- The teachers should motivate the students to pursue higher educations.
- The department has arranged students seminars.

6.8 Mathematics:

- The department should take initiative to increase student admission.
- The student to teacher ratio is good.
- The department must take initiative to arrange some skill enhancement programmes for the students.
- The department should motivate the students to pursue higher education.

6.9 Nutrition:

- The department should take initiative to increase student for higher education.
- The student centric teaching methods undertaken by the department is good.
- Department has arranged Food Festival which was quite satisfactory.
- The student to teacher ratio is good.

7.0 Philosophy:

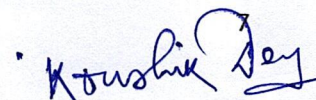

- The department should take initiative to increase student admission.
- The faculty members should involve in research activities.
- The department should motivate the students to pursue higher education.
- The department has arranged students seminars.

7.1 Physics:

- The Department has received an UGC DAE CSR Project.
- The Department has been running DST Inspire Project in Physics (Govt. of India).
- The student centric teaching methods undertaken by the department is excellent.
- The department has arranged students' seminars.
- Research publication by the faculty members is good.

7.2 Physical Education:

- The student enrolment number is good.
- The department offered various project works for the students like yoga and fitness, sports activities.

Coordinator, IQAC
S.B.S.S. Mahavidyalaya, Goaltore
Paschim Medinipur, Pin - 721128

- The faculty members should involve in research activities.
- The department should motivate the students to pursue higher education.

7.4 Physiology:

- A teacher of the Department has been guiding Research Scholars for Ph.D Degree under Vidyasagar University.
- The assigned project works by the department are good.
- Research publication by the faculty members is good.
- The department should motivate the students to pursue higher education.
- The department should adopt more student centric methods.

7.3 Political Science:

- The student to teacher ratio is good.
- The faculty members should involve in research activities.
- The department should take initiative to arrange some skill enhancement programmes, educational visits for the students.
- The department should take initiative to increase student admission

7.4 Sanskrit:

- The department has organized student seminars and observed World Sanskrit Day.
- The Department has organized a State Level Seminar.
- The department also arranged few skills development programmes for the students.
- The student progression to higher education is good.
- The student centric teaching methods undertaken by the department is excellent.

7.5 Santali

- The student to teacher ratio is good.
- The department should take initiative to arrange some skill enhancement programmes, educational visits for the students.
- The assigned project works by the department are good.
- The department should motivate the students to pursue higher education.
- The student admission per year to the department is excellent.

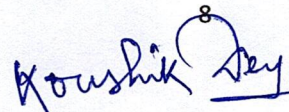

7.6 Zoology

- The student to teacher ratio is good.
- The department has organized field trip
- The department should take initiative to arrange some skill enhancement programmes
- The department should motivate the students to pursue higher education.

8. Overall Performance:

Excellent	Very good	Good	To be improved
	√		

9. Strengths and Opportunities of the Improvement:

 Koushik Dey
 Coordinator, IQAC
 S.B.S.S. Mahavidyalaya, Goaltore
 Paschim Medinipur, Pin - 721128

- Most of the departments took steps to organize some student centric programmes to encourage them to come to the college on regular basis. Very few number of seminars and student extension activities are arranged by many departments.
- The students are under regular internal assessment and progress of the students is discussed with the parents.
- The teaching according to academic schedule is good. Lesson plans according to curriculum, academic calendar, and class routine are maintained by all the departments.
- The involvement of the teachers in research work is good and college received several research grants.
- The number of ICT classroom is increased. The college now has total nine classrooms equipped with ICT facilities.
- NSS Unit has organized various health check-ups and awareness programmes. The unit also arranged programmes related to the Green and Clean Campus Initiative.
- The college also organized some programmes related to Gender Sensitization Issues.
- The college collected feedbacks from the stakeholders.
- Various commemorative days were celebrated at the college.
- The college should take initiative to arrange some certificate course like spoken English, Computer training, etc for students.

10. General Conclusion:

Measures	Excellent	Very Good	Good	To be Improved
Student Performance	√			
Lesson plan, Academic Calendar	√			
Counselling, Guidance		√		
Innovative teaching and evaluation process		√		
Teacher Performance		√		
Workshop, Seminar, Conference	√			
Research and publication	√			
Infrastructure for learning resources		√		
Library		√		
Social Work	√			
Feedback system		√
