10	About & Outcome	<p>The Faculty Development Program is organized from 13/11/2019 to 26/11/2019 by the college in order to help teachers understanding how to build positive relationships with students, provide timely and constructive feedback, and create a supportive learning environment. This, in turn, leads to increased student satisfaction as they feel more valued and understood in their learning journey. The outcome of the program is that faculties of the college could learn the how to develop entrepreneurship in various domain. The PDF on Entrepreneurship Development gives the faculties an encouragement to organize a business skills which help them to establish a successful enterprise. It is all about building a business from zero by developing new ideas and turning them into profitable businesses. The knowledge acquired from the program by the participants has to be extended to students of the college, this is the prime objective of the FDP.</p>
